EXPLORING THE YORKSHIRE COAST

NEW LOOK NEWSLETTER

We are changing the look of our school newsletter, with a move to our biweekly addition.

Keep up with school news also by following our Twitter and Facebook accounts, as well as updates provided by our school office.

HIGHLIGHTS

COBER HILL

Children from Year 6 enjoyed their 2 night residential experience at the Cober Hill Centre, in Cloughton, near Scarborough.

As well as exploring the coastal features, the children climbed the 199 steps to the Abbey and reflected on the Whitby links to Bram Stoker and Dracula. See more pictures inside.

#LETGIRLSPLAY

Girls across school were inspired by the football skills of our very own Miss Suraj and Miss Rigby, to take part in the "Biggest Ever Football Session" as part of #LetGirlsPlay.

On International Women's Day, all the girls at school enjoyed a football session with Miss Suraj and had a chance to take part in this impressive challenge!

NELL BANK

For many, this was their first night away from home, as children in Year 4 took part in their Nell Bank residential. A chance to explore the local area, Ilkley and the River Wharfe, was backed up by some great team building outdoor activities.

COBER HILL RESIDENTIAL

Yorkshire Air Museum

Fossil hunting in Whitby.

Year 6 two night residential at Cober Hill ends today, with children exploring the coast around Scarborough and Whitby - as well as the air museum and zoo inbetween!

VOCABULARY PARADE

As part of our World Book Day celebrations, children came to school dressed as a "word", as part of our vocabulary parade. Some great conversations saw our school vocabulary increasing during an enjoyable dress-up day.

NELL BANK RESIDENTIAL

I really enjoyed the 'cross the river' challenge. I was rewarded for taking a leadership role and helping my team from one side to the other. We managed to dodge the Pirahna infested custard! (Kian)

Year 4 children enjoyed their first over night residential at Nell Bank last week.

With orienteering and den building among the activities, the children really enjoyed their outdoor experience.

Orienteering was my favourite part. Although, it was very tricky we were given a method to find all the locations and I loved the challenge it gave me. (Elijah)

I loved every single part of it! I enjoyed sleeping in a room with all my friends. (Niall)

I loved the huge playground! Our group leaders were amazing and we thoroughly enjoyed all the activities, especially the habitat trail. I am still full from eating so much pizza! (Hettie)

INTERNATIONAL WOMEN'S DAY

#LETGIRLSPLAY

To celebrate International Women's Day, girls across school got involved in #LetGirlsPlay, taking part in the Biggest Ever Football Session, ran by Miss Suraj.

Girls across the school year's enjoyed a football lesson with Miss Suraj in the morning, followed by an opportunity to take part in the challenge to involve as many girls as possible in a football session in the afternoon.

Y3/4 NETBALL

Y3/4 Children were invited to Pudsey Grammar for an opportunity to play netball.

"I enjoyed switching from defence to attack and making interceptions", said Theo.

Pippa explained, "I enjoyed it because I learnt something new and fun!"

Isabelle enjoyed her height advantage and Orla liked the cooperative part of teamwork.

Thanks to Pudsey Grammar.

HANDBALL SUCCESS

Well done to our Handball team, many of whom played for the first time!

Gold medal for some and all a great credit to Southroyd

Well done to Josh, Ruby, Honey, Katie, Abigail, James, Charlie, Aiden, Monty, Charlie, Bella and Thomas.

CABIN PROGRESS

NEW CABIN

CROSS COUNTRY

Over the last couple of months, Monty and Charlie have taken place in a Peco Cross Country League outside of school. This is a series of five cross country races organised in and around Leeds. Each junior race is 1-2 miles and is chip timed. We both finished in the top 4 out of all the boys in their age range!"

The project team, including staff and Governors, visited the local factory for an update on progress of our exciting cabin build project.

The first shipping containers are combined, and work is very much on schedule towards completion after Easter.

Children were excited in assembly to see footage of the diggers in action!

HOLIDAY CLUB REMINDER

Remember, due to our exciting building works, there is no planned holiday club for the Easter Holidays.

DEMOLITION

INVESTORS IN PUPILS

Investors in Pupils Monitoring

School Council met to talk more about how classes were progressing with the investors in pupils projects and decided on a few areas where a little more work is needed.

A huge well done and thankyou to our wonderful FOSS team for organising our Mother's Day Pop Up Shop

Chantelle, Sarah, Becki, Philippa, Vicki, Chris, Alison and Sarah have worked very hard for weeks, sourcing and making up over 270 gift bags!

Thanks to their hard work nearly 230 of our children had the lovely experience of choosing a gift for their loved ones.

Thankyou to everyone who supported this event.

FOSS NEWS

MOTHER'S DAY POP-UP SHOP

A huge thank you to those of you who sent money into school for your child to buy gifts for their special someone from our Mother's Day pop-up shop.

The delight on their faces when choosing that special gift and taking it away with them to give to someone they love, was priceless.

Your continued support enables us to give our children these invaluable experiences. Thank you! A lot of time and effort went into purchasing and packaging the gifts so we hope those of you who receive gifts this weekend, enjoy them.

EASTER PARADE

Look out for more information coming home soon about the Easter Bonnet parade. Lots of prizes on offer.

SUMMER FAIR

SAVE THE DATE - SUNDAY 30th JUNE 2024

Preparation for our Summer Fair has already begun. We will soon be asking for lots of help to make the event as successful as it always has been - it can't run without you! If you would like to get involved in the preparation stage, please contact one of the FOSS team on the email below.

In the meantime...

- - Are you looking to upgrade your BBQ this Summer and are getting rid of an old, gas one in good working condition? If so, we will take this off your hands to use at our Summer Fair and save us having to buy a new one.
- - Do you run a small business or know someone who does and would be willing to contribute to our Summer fair raffle prizes? If so, please email foss@pudseysouthroyd.leeds.sch.uk

STORY TIME DROP INS

Reception loved their chance to welcome their parents to the Story Time Drop-In sessions this week.
